NORTHCLIFF STRENGTHENS BOARD WITH SIGNIFICANT MINING CAPABILITY AND ATLANTIC CANADA EXPERIENCE

November 19, 2026 Vancouver, BC - Northcliff Resources Ltd. ("Northcliff" or the "Company") (TSX: NCF) announces the appointment of Derek Pannell as Chair and Independent Director and Stephanie Anderson as Independent Director and Chair of the Audit and Risk Committee, effective 1 December, 2026.

The appointments strengthen Northcliff's Board as the Company advances the Sisson Tungsten-Molybdenum Project ("Sisson") in New Brunswick. Together, Mr. Pannell and Ms. Anderson bring extensive experience across mine development and operations, major projects, infrastructure, finance and capital markets, together with strong connections to New Brunswick and Atlantic Canada.

Northcliff President and CEO Andrew Ing said "Derek and Stephanie bring immense capability to Northcliff at an important stage in Sisson's advancement. Their extensive experience across mine development and operations, major projects, infrastructure, finance and capital markets will strengthen the Board as we progress the project.

"Both also bring strong connections to New Brunswick and Atlantic Canada. Their combination of industry experience and regional understanding will be valuable as we work with governments, First Nations, communities and potential partners to advance Sisson responsibly and build long-term value for New Brunswick and our shareholders."

Major shareholder, Todd Corporation ("Todd") CEO Evan Davies said "Derek and Stephanie bring exceptional mining, project, financial and infrastructure experience, together with strong connections to New Brunswick and Atlantic Canada. Their appointments represent a significant strengthening of the Northcliff Board as the Sisson project advances and are the first of a series of deliberate steps that Northcliff proposes to take to build specific capability and increase presence in Atlantic Canada in anticipation of acceleration of the project towards construction. Todd believes Sisson has the potential to be an important asset for New Brunswick and Canada, and this additional capability will support its responsible advancement and the creation of long-term value."

Derek Pannell is a metallurgical engineer with extensive senior leadership experience across mining, metals and infrastructure. He has served as Chair and director of organisations including Opportunities New Brunswick, Brookfield Infrastructure Partners, Agrium Inc. and Nutrien, and previously held senior executive roles including Managing Partner Brookfield Asset Management, Chief Executive Officer of Noranda Inc. and Falconbridge Limited.

He has been involved in a number of successful mine start-ups, and industrial operations, including the on-time and on budget Antamina Mine in Peru. Derek is a resident of Saint John, New Brunswick. He holds a Bachelor of Science Engineering (Honours) degree from Imperial College in London, and is a Professional Engineer (retired Quebec) and Professional Engineer (Peru) and a Fellow of the Canadian Academy of Engineers.

Stephanie Anderson has more than 30 years of experience across mining, finance and treasury, corporate development and major project development. She spent approximately 10 years with Baffinland Iron Mines, most recently as Executive Vice President, Corporate Development and previously as Chief Financial Officer, and was part of the executive team that developed the Mary River iron ore project in Nunavut. She previously held senior roles with Dundee Precious Metals Inc. and Inco Limited. She is a Non-Executive Director of Sedibelo Resources.

Ms. Anderson also has an enduring connection to New Brunswick, having grown up there and taken her initial degree, a BSc (Hons) Geology at the University of New Brunswick. She also holds an MBA, Finance and Economics from the University of Toronto.

The appointments form part of the renewal of the Northcliff Board. The Company also advises that Barry Coughlan has stepped down as a Director after 10 years of service.

Northcliff CEO Andrew Ing said, "On behalf of the Board, I would like to thank Barry for his significant contribution to Northcliff over many years. We greatly appreciate Barry's commitment and counsel and wish him well in the future."
